

# PPV CORP

921 Park St, Unit A, Perris, CA, USA 92570

[sales@ppvcorp.com](mailto:sales@ppvcorp.com), 909-333-5775

Process Systems Assembly, ASME Pressure Vessels, Piping & Structural  
Assembly, Fabrication & Welding

# About PPV CORP

PPV CORP is ASME U Stamp and ISO 9001:2015 certified, specialize in the assembly, fabrication, and welding of high-quality process systems, modular skid assemblies, ASME pressure vessels, and industrial piping systems in accordance with customer design requirements.

PPV CORP provide services for following equipment

1. Process Systems, Modular Skids Assembly
2. ASME U Stamp Pressure Vessels
3. Process Piping
4. Dimple Jackets for Mixer Tanks
5. Shell & Tube Heat Exchangers
6. Structural Skids and Pipe Supports
7. Non CODE Atmospheric Tanks

# Some of our Customers and End Users

## End Users / EPC Through our Customers

1. Chevron
2. Aramco
3. Phillips 66
4. US Navy
5. California Dept of Water
6. Indian Oil
7. Saipem
8. Modec
9. Worley

## Approved with Customers

1. California Dept of Water
2. Chevron
3. DXP Enterprises / Cortex
4. Air Liquide
5. Flowserve
6. Fluor
7. Colonna Shipyard
8. Nikkiso Cryoquip
9. Hambright Company

# Quality Management Program

PPV CORP is certified to ISO9001-2015 and ASME U stamp.

All aspects of Design, assembly, fabrication, Material Control, Welding, NDE and Testing is performed according to Code, QC Program, procedures and project ITP.

1. Codes such as ASME, AWS, ABS, DNV, NACE etc.
2. Welding Procedures are qualified meeting ASME Section IX and AWS D1.1
3. Welder are qualified in accordance ASME Section IX and AWS D1.1
4. Two in-house Certified Welding Inspectors (AWS-CWI)
5. In-house SNT Level II for PT and MT.
6. NDE services by industry recognized NDE companies (ND Testing, CERTERRA)
7. Material traceability during fabrication as per Customer requirements
8. Calibrated gauges and Instruments for testing

# Shop Capabilities

PPV CORP is located at 921 Park St, Unit A, Perris, CA 92570

Shop Size: 20000 SQFT Covered Shop area on One Acre of Yard.

Gantry Cranes: Qty-2, Rental Cranes and Forklifts up to 60,000LBS.

Forklift: Qty-4

Pressure Vessels Roller Sets: Qty-4, Weight Capacity up to 60000LBS

Welding Machines: Qty-25

Welding Positioners: Qty-10

Welders: Qty-10

Plasma Cutting: Qty-2

Horizontal Band Saw QTY-2. Cut Size 13"x21" & 12" Pipe: Qty-1, Cut Size 7"x11" Qty-1

# Welding for Materials

Provide welding services for following materials

1. Carbon Steel
2. Low Temp Carbon Steel (-50F)
3. Stainless Steel 304, 316 (-320F)
4. Duplex Stainless P No 10H, 2205
5. Super Duplex Stainless P No 10H, 2507
6. Aluminum 6061

# Welding Codes

Provide welding services meeting following Codes

1. ASME Section IX
2. AWS D1.1
3. ABS, DNV or Any other Code requirements requested by Customer specification

# Modular Skid, Process System Assembly

Per customer design, complete assembly of modular skids, process systems for oil, gas, hydrogen, chemical injection, refrigeration, water treatment, membrane, lube oil, transfer skids etc

1. Assembly
2. Skid base
3. Piping
4. Tubing
5. Electrical
6. Material Traceability
7. NDE RT, UT, PT, MT, PMI, Hardness Testing
8. Pressure Testing, Leak Test
9. Rotating Equipment shaft Coupling Alignment
10. Bolt Torque
11. Painting

PPV CORP Ph: 909-333-5775, SALES@PPVCORP.COM

# ASME U Stamp Pressure Vessels

ASME U stamp Certified for Pressure Vessels, shell and tube heat exchangers per  
ASME Section VIII Div1

1. Design (Compress)
2. Fabrication
3. NDE
4. Pressure Testing

# Process Pipe Spools

Provide piping per ASME B31.3, B31.4, B31.8, B31.12, NACE MR0175 or any other code as required.

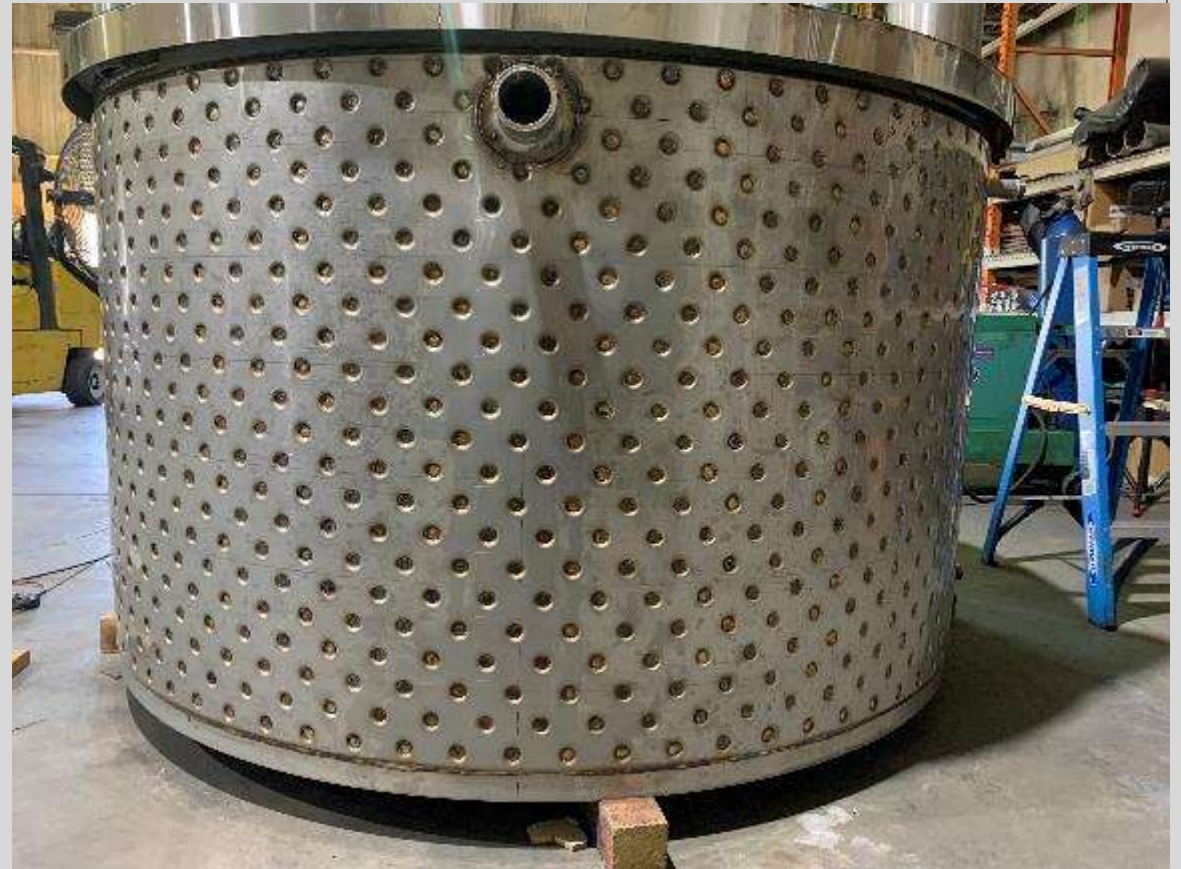

1. Welding
2. Fabrication
3. NDE
4. Pressure Testing
5. Assembly

# Dimple Jackets

ASME U stamp Certified dimple Jackets for Pressure Vessels and Atmospheric Mixer Tanks.

1. Design (Proof Tested Proprietary Design per ASME Section VIII Div 1)
2. Welding
3. Fabrication
4. Pressure Testing

# Structural Skids, Pipe Supports

Structural Welding Services per AWS D1.1

1. Structural skid bases for modular skids assembly, expanders, compressors, Pumps, Vessels etc.
2. Pipe Supports
3. Misc. Structural components

# Skid Assembly

PPV CORP Ph: 909-333-5775, SALES@PPVCORP.COM
